

A Win For Newtown

The Newtown Neighbourhood Centre celebrated their campaign victory of getting the Newtown Station made into an easy access station. The federal government has confirmed that they will be providing \$200,000. to develop the upgrade Newtown Station to an Easy Access Station. The Newtown Neighbourhood Centre started their campaign last November by organising a petition and then enlisting the assistance of the community. Lisa Burns the Centre Coordinator stated the whole project has been a real joint community effort by many different groups. With much thanks going to our local residences, Carmel Tebbutt MP, Penny Sharp, Marrickville Council, Marrickville Access Committee and Marrickville Senior reference group, South Sydney Herald, The Glebe and The Inner City Courier.

Newtown is just the first stop in making all the inner West Stations accessible so lets keep up the good campaigning and feel free to drop into the Neighbourhood Centre to discuss this campaign or any other ways we can improve our Neighbourhood.
