

# Access to Meeting Spaces

**11-13 Darley Street, Newtown NSW 2042**

## How to access the various spaces at Newtown Neighbourhood Centre

There are two entrances to Newtown Neighbourhood Centre (NNC). Both have access ramps.

1. The ramp/stairs to the left, provide direct access to Gadigal Hall, the Rainbow Room, the kitchen, and the bathrooms.
2. The ramp to the right leads around to the back of the building where you will find a gate providing direct access to the Courtyards. In order to get to Anastasia's Room, you need to go through the gate to the courtyard and enter the building from the rear entrance, directly to the left once through the gate.

### NOTE:

To access the kitchen and bathrooms from Anastasia's Room and the right Courtyard, go through the timber gate in the fence that separates Courtyard 1 and Courtyard 2. The gate is located next to the entrance to Anastasia's Room and can be entered using your PIN code. From here, go straight ahead to the large glass doors that lead to the kitchen and bathrooms. Use your PIN code to access the left single glass door.
